

# EOHS POLICY

## Environmental, Occupational, Health & Safety Policy

We are committed to demonstrate excellence in accordance with Environmental, Occupational Health and Safety (EOHS) guidelines on a continual basis through:

1. Integration of EOHS considerations at planning and operational stages of our activities, products and services.
2. Promotion and adoption green technologies to minimize detrimental effects on environment while carrying out our business activities.
3. Continual improvement in EOHS practices and EOHS Performance for prevention of pollution, injury, ill health.
4. Identification, assessment, elimination, minimization or control of Environmental impacts and OH&S Risks pertaining to all areas of operations, activities, products and services.
5. Compliances with applicable legal requirements and other requirements to which the organization subscribes.
6. Setting and periodically reviewing the EOHS objectives and targets to reduce injury, ill health and optimized consumption & conservation of natural resources
7. Strengthening EOHS awareness, skills and competence of our employees, business associates and interested parties by ongoing training and proactive communication.
8. Creation maintaining, encouraging and promoting effective EOHS practices to meet changing business and regulatory needs.

We shall communicate this policy to all persons working for and on behalf of the organization and also make it available to the public on request.
