

QUALITY POLICY

1. PREAMBLE:

As per requirement prescribed by National Guidelines on Responsible Business Conduct (NGRBC) and as indicated by many Environmental, Social, and Governance (ESG) Performance Assessment Auditors, the Company should have appropriate Quality Policy, duly approved by the Board and the same shall be disclosed on its website.

2. OBJECTIVE:

The objective of the Quality Policy is to ensure Customer satisfaction by strictly adhering to Quality Management System of the Company as amended from time to time.

3. QUALITY POLICY:

We at PRAJ value each Customer and aim to deliver reliable equipment and services meeting the customers' specified requirements, in terms of quality of material, workmanship and procedures as stated in Quality Management System of the Company, to achieve overall customer satisfaction.

We will strive for continual improvement in the Quality Management System through feedback from customers and from within.

We are committed to our Quality Objectives stated in Quality Management System and for creating sustainable, Safe and Healthy work environment.

This policy should be reviewed periodically by the Management in line with Customers' requirements and to incorporate the amendments, if any, made by the Statutory Authorities.
