**Commenting on the Company's performance, Mr. Shishir Joshipura, CEO & MD, Praj Industries said,**

*"Our results for the quarter are reflective of the developments taking place globally in the bioeconomy and energy transition space. Completion of EBP20 program ahead of the timeline augurs well for the future initiatives to expand the share of bioenergy in the overall energy mix. During the quarter, we continued to build positive traction for our international business. The GenX facility is now scaled up and ready to serve ETCA segment globally."*

**Key Developments:**

- Praj Industries Ltd joined forces with Thyssenkrupp Uhde to revolutionize PLA production; Together to work on End-to-end offering for PLA (polylactic acid) production that covers all stages from feedstock conversion to polymer production.
- Received a significant international order to set up grain-based ethanol plant in Paraguay
- Praj signed term sheet with BPCL for developing 10 CBG projects under joint venture
- Praj entered into agreement to set up a CBG project of 36 TPD capacity with an industry leader in South India. The project will be one of the largest single location facilities in the country
- Long term framework agreements for supply of goods and services, signed with three leading global customers of Praj GenX
