#### INDEPENDENT AUDITORS' SPECIAL PURPOSE REPORT

To the Directors of **Praj America Inc. USA** 

## Report on the Audit of the Indian Accounting Standards (Ind AS) Financial Statements

#### **Opinion**

We have audited the accompanying Ind AS Financial Statements of Praj America Inc. USA, (hereinafter referred to as "the Company"), which comprise the balance sheet as at March 31, 2025, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows and material accounting policies, hereinafter referred to as, 'the Ind AS Financial Statements'.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit, its changes in equity and its cash flows.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) applicable in India. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibility of Management for Ind AS Financial Statements

The Company's Board of Directors is responsible for the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standard) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Offices at: Mumbai | Kolhapur | Belagavi | Dharwad | Bengaluru

#### P G BHAGWAT LLP

Chartered Accountants LLPIN: AAT-9949

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
  appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud
  is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
  misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Purpose and restriction paragraph

These Ind AS Financial Statements have been audited by us solely for the purpose of providing information to Praj Industries Limited (Holding Company) to enable it to prepare the Consolidated Financial Statements of the Company. As a result, these Ind AS Financial Statements of Praj America Inc. USA, are not a complete set of Financial Statements and do not include/contain all the mandatory disclosures in accordance with Ind AS and Schedule III of the Companies

## Notes to financial statements for the year ended 31 March 2025

(All amounts are in USD unless otherwise stated)

#### Note 20: Financial risk management policy and objectives

Company's principal financial liabilities, comprise trade and other payables. The main purpose of these financial liabilities is to finance company's operations. Company's principal financial assets include trade and other receivables, security deposits and cash and cash equivalents, that derive directly from its operations.

In order to minimise any adverse effects on the financial performance of the company, it has taken various measures. This note explains the source of risk which the entity is exposed to and how the entity manages the risk and impact of the same in the financial statements.

| Risk                          | Exposure arising from            | Exposure arising from            | Measurement              |
|-------------------------------|----------------------------------|----------------------------------|--------------------------|

|                               | United states Dollar (USD)       | United states Dollar (USD)       |                          |
|                               |                                  |                                  |                          |

The company's risk management is carried out by management, under policies approved by the board of directors. Company's treasury identifies, evaluates and hedges financial risks in close co-operation with the company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk, and investment of excess liquidity.

#### (A) Credit risk

Credit risk in case of the Company arises from cash and cash equivalents, deposits with banks and financial institutions, as well as credit exposures to customers including outstanding receivables.

#### Credit risk management

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The company considers the probability of default upon intial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward looking information such as:

- (i) Actual or expected significant adverse changes in business,
- (ii) Actual or expected significant changes in the operating results of the counterparty,
- (iii) Financial or economic conditions that are expected to cause a significant change to counterparty's ability to meet its obligations,
- (iv) Significant increases in credit risk on other financial instruments of the same counterparty,
- (v) Significant changes in the value of collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

The company provides for expected credit loss in case of trade receivables, claims receivable and security deposits when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company. The company categorises a receivable for provision for doubtful debts/write off when a debtor fails to make contractual payments greater than 180 days past due. The amount of provision depends on certain parameters set by the Company in its provisioning policy Where loans or receivables have been written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

#### **Provision for expected credit loss**

Financial assets for which loss allowance is measured using 180 days Expected Credit Losses (ECL)

| Exposure to risk     | 31 March 2025 | 31 March 2024 |
|----------------------|---------------|---------------|
| Trade receivables    | 216,763       | 201,068       |
| Less : expected loss | -             | -             |
|                      | 216,763       | 201,068       |

#### Notes to financial statements for the year ended 31 March 2025

(All amounts are in USD unless otherwise stated)

|                    | 31 March 2025 | 31 March 2024 |
|--------------------|---------------|---------------|
| Trade receivables  |               |               |
| Less than 180 days | 198,489       | 182,794       |
| 181 - 365 days     | -             | -             |
| More than 365 days | 18,274        | 18,274        |
| Total              | 216,763       | 201,068       |

#### B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, company maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is carried out in accordance with practice and limits set by the group. In addition, the company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

| Exposure to risk   | 31 March 2025 | 31 March 2024 |
|--------------------|---------------|---------------|
| Trade payables     |               |               |
| On demand          | -             | -             |
| Less than 180 days | 13,078        | 110,749       |
| 181 - 365 days     | -             | -             |
| More than 365 days | 100,000       | -             |
| Total              | 113,078       | 110,749       |

#### Note 21: Capital management

#### Risk management

The company's objectives when managing capital are to

-safeguard it's ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and -Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt. Consistent with others in the industry, the company monitors capital on the basis of the following gearing ratio: Net debt (total borrowings net of cash and cash equivalents) divided by total equity and net debt (as shown in the balance sheet.)

The company's strategy is to maintain a gearing ratio 0%. The gearing ratios were as follows:

|                              | 31 March 2025 | 31 March 2024 |
|------------------------------|---------------|---------------|
| Loans and borrowings         | -             | -             |
| Other financial liability    | -             | -             |
| Less: Cash & Cash equivalent | 197,338       | 148,394       |
| Net debt                     | -             | -             |
| Equity                       | 255,143       | 229,237       |
| Capital and net debt         | 255,143       | 229,237       |
| Gearing ratio                | 0%            | 0%            |

As per our report of even date.
