- **Order intake** during the quarter is **Rs. 10 billion**

Commenting on the Company's performance, Mr. Ashish Gaikwad, MD, Praj Industries said, *"While the external business environment remained uncertain, we have made a definite progress on few long-term growth vectors. Key developments this quarter include securing a Bio-IBA order for the country's first commercial scale demo plant, signing a long-term framework agreement for precision fabrication and modularization solutions for hyperscale data centers, and receiving first order from a leading semiconductor player for ultra-pure water and ZLD solutions. As we move further into the financial year, we expect to build on this momentum and deliver improved performance."*

Key Developments:

- Union cabinet approves GOBARdhan scheme with a total outlay of ₹23,731 crore; to accelerate CBG production through assured offtake, stable pricing, capital assistance, pipeline connectivity and access to finance
- Received first order to set up India's first commercial demo plant Bio-IBA
- Praj GenX signed exclusive framework agreement with a leading EPC to manufacture and supply precision fabrication components and modules for hyperscale data center infrastructure projects
- Received unique combined order from semiconductor player for ultra-pure water and ZLD solutions

Praj Industries Limited:

Praj, India's most accomplished industrial biotechnology company is driven by innovation, integration and delivery capabilities. Over the past four decades, Praj has focused on the environment, energy, and agri-process industry, with 1000++ customer references spanning 100+ countries across all 6 continents.
